# WE'VE SERVED OVER

666,000,000 kWh

OF CLEAN POWER TOGETHER

124

That's the clean power equivalent of building
124 new wind turbines

Which is like preventing
2,600 railcars of coal
from being burned

Or taking
103,500 cars off the road
for a whole year

163,816,453 kWh for Q2 alone!
